## Wisconsin Promise Release of Media Form

Wisconsin Promise periodically uses electronic and traditional media (e.g., photographs, video, audio, interviews, testimonials) for educational, promotional, or marketing purposes. By my signature on this form, I acknowledge receipt of this document and give permission to Wisconsin Promise and its agents to use such reproductions of my person in any and all forms of media for educational, publicity, or advertising purposes in perpetuity without further consideration from me.

I hereby waive any right to inspect or approve the finished photographs or printed or electronic matter that may be used in conjunction with them now or in the future, whether that use is known to me or unknown, and I waive any right to royalties or other compensation arising from or related to the use of the photograph. I give my consent in the interest of public information, and for furtherance of education and the research goals of this project or for other lawful purposes.

Media Images may be used in whole or part as long as this is in effect and Wisconsin Promise has not received notice that this consent has been revoked. I also understand that I am not required by Wisconsin Promise to authorize the above consent, and that authorization is not a condition of receiving educational programming or services.
